Wedding Open Day

Tuesday 28th February, 2012
6pm – 9pm

If you are considering Eves for your Wedding, this is the perfect opportunity to visualise the day... from walking down the aisle to the set up for your reception.

You will see the venue set up as it would be on your special day with examples of floral centrepieces and theming to give you inspiration. To make it simple for you, we will also host wedding suppliers for you to chat with such as a florist, celebrant and photographer and more.

Our professional events team hosted by owner, Stephen Holmes will be on board to assist you in answering all of your questions.

Our philosophy is simple – it's all about you. We believe that you have enough to worry about leading up to the day and ensure that all your needs are catered for. With our commitment to providing the perfect event there is never a request too difficult to accommodate.

On the night, each couple will receive a \$100 Gift Voucher to enjoy the Eves' experience for lunch or dinner as a gift from us.

**We look forward to welcoming you and your fiancé to
Eves on the River.**
