ON THE RIVER

Thank you for considering Eves on River for your Wedding.

Our Restaurant continues to be a favourite setting for weddings with absolute waterfrontage providing uninterrupted romantic views of the Brisbane River.

Picture your memorable evening starting with canapés & pre-dinner drinks as the sunset colours glow over the river forefront seducing your guests. The evening will continue to inspire with a three course dinner or cocktail party on our glass enclosed verandah as the city night lights dance on the river.

Our philosophy is simple – it's all about you. We believe that you have enough to worry about leading up to the day and ensure that all your needs are catered for. With our commitment to providing the perfect event there is never a request too difficult to accommodate.

We also believe that you deserve to have as much choice as possible. After all, it is your day and you should have what you want. Don't be limited to just a few meal options. All our menu items have, on request, extensive alternatives. Even our basic beverage package includes a large range of drink selections that will please any taste. The power of choice is back in your hands.

We also understand that not everyone has the same budget. Our attitude of flexibility extends to our pricing. We are happy to discuss creative ways that we can provide the ultimate experience at Eves on the River.

Your experience is our commitment and our quality is guaranteed and pay for your wedding at the end of the night. Unlike other venues, we don't agree that you should have to pay for a service before you have received it.

I invite you to visit us at any time for a coffee or champagne and a chat. Take some time to look around our restaurant and its facilities. We would love to sit down with you to discuss how we can be of service.

On behalf of the team at Eves on the River I congratulate you and your fiancé on your engagement.

If I can of any further assistance, or you would like to make an appointment to discuss how we assist in creating the perfect day for you, please do not hesitate to contact me personally.

With kind regards,

As a la carte restaurant, food is our priority and passion every day.

Our Head Chef Matija Stefancic has created a wedding menu that is fresh and innovative. His highly qualified team are ready to share their commitment for great food with you. Each dish is professionally prepared and presented with great care

The philosophy at Eves on the River is simple - give the power of choice back to the customer. At Eves on the River, we have departed from traditional limited menu and service attitudes in the following ways:

- ❖ **All weddings of 65 guests or less your guests can choose their own meals on the night. This option is also available for larger weddings (a small charge may be incurred).**
- ❖ Each menu dish comes with a wide selection of alternative methods of preparation and accompaniments. Our chef will even be happy to create any specific dish you desire.
- ❖ All dietary requirements will be catered for.

As each wedding our reputation is on the line, we guarantee that every guest is fully satisfied. Each dish is designed and prepared to please any appetite. For a cocktail style wedding we eliminate the biggest concern of “will there be enough food?” - Our commitment is to continually offer food to your guests till they can eat no more.

Your choice of beverage options can be a daunting decision. We will guide you in choosing the best beverage option for your wedding. You can elect to run a bar tab throughout the evening or take advantage of one of our generous drink packages

Great food must be complimented by great wine. Our extensive wine list provides a selection that will please any discerning palate. All wines on offer are of the highest standards which are proudly served in our award winning a la carte restaurant every day.

Each of Eve's staff is fully trained in the Responsible Service of Alcohol and will ensure that your guests will receive prompt and efficient service.

Eddy and I just wanted to thank you and all the staff at Eves for making our wedding on the 2 December very special. The food was delicious, the service excellent and the setting beautiful.

Our guests have been singing the praises of Eves ever since. I think it is one of the first weddings I know if where the guests actually thanked the bridal couple because they enjoyed the wedding so much.

Best wishes

Jamie and I just wanted to thank you once again for helping us to make our wedding day run so smoothly and wonderfully! We had such a brilliant day and were quite relaxed knowing you all had the organisation under control. Thanks for helping with the last minute requests too.

We have had fantastic feedback from our guests! Absolutely loved all the food, and everything was perfectly cooked for everyone! And the wine was tops. We had one guest who collects wines so he ensured he sampled all the wine & loved each drop. We were absolutely happy with everything, and the staff were very helpful and made sure we had everything we needed

Initially we had felt it was beyond our budget but the more we investigated other venues, the more we realised the value at Eves... Everything was included and arranged by the restaurant and staff. Finally because of the location, the quality, and MOSTLY the staff the decision was made. Eves on the River it was going to be.

Trudi is a consummate professional. She is totally on the ball, all the time. Despite being busy she always MAKES time – she is one of those special people that is able to make you feel like you are the most important person. I really cannot praise her highly enough. Additionally, I would like to mention Amy and the other staff who worked on the night of our wedding. All the staff handled themselves and our wedding in a superb manner. They worked so very very hard and must be complimented. I could go on and on, but really I just want to say how happy I am. The venue, the location, the food, the wine and most importantly Trudi, Amy and the other staff were 100% amazing. I will continue to recommend Eves on the River to everyone I know looking for somewhere to hold an event, or just somewhere to go for a great meal. From the bottom of my heart, thank you so very much for making our wedding perfect for us!
